THE BARON SON® VADE MECUM® 7

Vicky Therese Davis • William R. Patterson • D. Marques Patton

Book Description:

A legend from centuries past, *The Baron Son* is a revealing allegorical tale designed as a roadmap to wealth, power, and success. It is the account of a young boy that loses everything and through struggle finds the secret to become the richest, most powerful man the world has ever known. The reader learns alongside three scholars as the Baron recounts his story of detriment and triumph while conveying supreme principles that will guide one and all in their journey to self-mastery.

Sales Handles:

The Baron Son is an allegorical tale designed as a roadmap to wealth, power, and success.

In an era of greed, political and corporate scandal, *The Baron Son* offers business leaders an ethical compass for responsibly wielding power and influence.

The SBA reports that there are 25 million small businesses, with over 10.5 million people who are self-employed. *The Baron Son* offers them and the increasing number of displaced workers going into business for themselves expert tools for achievement and economic growth.

Audience:

Business leaders, entrepreneurs, salespersons, opportunity seekers
